بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

A vertical composite image showing a view of Earth from space. The Earth's curved horizon is visible, with blue oceans, white clouds, and a small portion of a yellow landmass. In the foreground, a satellite with a purple body and a long, thin antenna is visible. A bright, diagonal light source, possibly the sun, is in the upper right, creating a lens flare effect. The background is a dark, star-filled space.
